

MARKETPLACE

MOMENTS

Volunteers do not necessarily have the time; they just have the heart.

Welcome to another edition of Marketplace Moments. The Kiwanis Marketplace had an amazing spring and want to thank all our volunteers for what they do for us.

To those of you who have left for the summer, we will miss you. To those of you who are here through the summer, thank you for your sweat, and we're all surviving it together. And for those volunteers who are new to the Marketplace, thank you for joining our family.

Summer has started, and we have some amazing events, sales, and announcements going on right now.

Our biggest announcement is that we are slightly changing our store hours to give our shoppers an extra hour of treasure hunting. Starting **Tuesday, August 5th**, we will be open from **9 am-6 pm**, Tuesday-Saturday. This will not affect current volunteer hours; however, every hour of help counts, and if you're interested in helping us until 6 pm on certain days, please let management know, and we can work with getting you the information for that.

I want to personally thank every volunteer who helps out at the Marketplace. We are able to serve the community because of your hard work and dedication. We plan on having our next Volunteer Appreciation Party in late August so make sure you're on our volunteer email list and keep an eye out for that email invite soon.

THANK YOU!
