MOMENTS

11th
ANNIVERSARY

Hey Folks,

Welcome to another edition of Marketplace Moments!

I want to thank all of you who helped us celebrate our 11th Kiwanis Marketplace Anniversary. It's amazing to see the growth of this wonderful place and all the volunteers who have been here since the store's inception, and all the new faces that have joined since. We had loads of fun last month, including a Volunteer Appreciation Party to celebrate your hard work and dedication. You are all rock stars and are the reason that Kiwanis is able to give back so much to this community.

As we continue to grow, we've made changes to support the store and the community. We are excited to let people know that we're now open until 6 pm. This will give shoppers and donors an extra hour to give and find treasures at the store. We've flattened out the previously uneven rocky patio area and laid brick down to make our patio more shoppable and safe for our customers. We've also taken down a wall in the eastern part of our store to open up more space for shopping. We're currently in the middle of renovating some other areas as well, so make sure to check those out the next time you're in.

We have some fun events and sales coming up this fall, including another Volunteer Appreciation Party for Halloween next month. So come join in on the fun at the Marketplace, and thank you for all that you do!

REVIEW ON GOOGLE

This thrift store is boutique like: well organized, variety of items, excellent customer service with decent prices. I drove just to look at this store(heard from my customers) and found some treasures.

IT'S INVENTORY DAY

Monday, September 29th

Breakfast at 8:15 am • Intro at 8:45 am • Inventory Starts at 9:00 am

Come and have an enjoyable time with good people and help us with our inventory. The store will be closed, and we will be providing donuts and fruit.

Every person helps since there is a lot of counting. We would love to have you. The end time depends on how many people we get, but we estimate it until about 11:30 am. The more volunteers, the quicker it will go!
