MOMENTS

Volunteers do not necessarily have the time; they just have the heart.

Happy November Kiwanis Marketplace Volunteers!!

Welcome to another edition of Marketplace Moments. I wanted to take this time to let you know how much the Marketplace team appreciates all your help. We just threw another Volunteer Party to show you how appreciative we are and “Wow”, what a heck of a party. Our volunteers do the best at dressing up and having fun.

Winter time is fast approaching and our snowbirds are coming back into town. We’re gearing up for the Thanksgiving and Christmas season and you will definitely want to be a part of that. There’s something special about the holidays around the Marketplace. What better time to give back to the community than the season of thanks and sharing. I want to thank all of you who were here throughout the summer helping during all the changes at the Marketplace. I also want to say welcome back to those of you who were gone for the summer and I’m happy you brought the cooler (kind of) weather back with you.

The Marketplace is getting busier and busier and it’s such a blessing, but also comes with a lot of responsibility. We want to give as much as we can back to this community and we could not do that without our wonderful volunteers. So we are asking you, if you know anybody looking for a great place, full of great people, full of great prices, tell them to come on down to the Marketplace and talk to us about becoming a volunteer. Let’s share the amazing gift that the Kiwanis Marketplace is with the entire community.

Thank you and see you at the Marketplace!

REVIEW ON GOOGLE

Kiwanis did a great job picking up a donation of a high quality china cabinet and buffet that other charities would not accept due to large size. The office communicated well and the volunteers were on time and careful in their handling of items. I would use them again!
